

ABOUT THE STATE

Happenings of Interest from Different Sections.

Charles Burroughs, night watchman for the Vermont Milk Chocolate Company of Burlington, fell unconscious on his way upstairs after supper Saturday evening and died almost instantly. He was 61 years old.

In three sections of the country, from Los Angeles, New Orleans and New York City, airplanes are to start out Thursday, April 10, in a series of "flying circuits," with the object of dropping Victory loan literature. The only Vermont city scheduled to be visited is Rutland.

Mrs. Joseph Carson was quite badly hurt at her home in Middlebury last week when, after feeding some pigeons in the barn, she stepped backward into an open trap door, falling 10 feet down stairs. Her collar bone was broken, she fractured two ribs and the tissues were pulled from one shoulder.

The Rutland Methodist church on Sunday held a memorial service in honor of three of its young men who gave their lives in the recent war. They were Sgt. Kenneth C. Nourse, Private Walter F. Perkins and Private E. Lewis McKay, the first two with the A. E. F. and the last serving with the Canadian army.

Russell S. Brown, 10-year-old son of Mr. and Mrs. Charles L. Brown of Castleton Corners, has caught 25 skunks, two muskrats, one mink and one fox this season.

VETERAN TEACHER DEAD.

Miss Rose C. Carrigan, Connected with Rutland Schools 34 Years.

Rutland, April 8.—Miss Rose C. Carrigan, for 34 years a teacher in the Rutland public schools, passed away Saturday at the home of her brother, Thomas H. Carrigan, her only immediate survivor. Miss Carrigan had been in failing health for some time, having been at the hospital much of the time during the past two years.

Graduating from the local high school in June, 1884, the deceased taught the following term at the School street school and subsequently in all nine grades in different buildings in the city, including the court square building, where the garment factory is now located, the high school when the grades 8 and 9 were in the East Washington street school, predecessor of the Dana building, and when the Dana building was built and opened in 1917 she became principal and taught there until her health failed.

During the 34 years of teaching, Miss Carrigan was principal for more than 20 years.

Miss Carrigan was born in West Rutland.

C. TAYNTOR ENJOYING HIMSELF.

Is Circulation Officer in Kyllburg, Germany.

Mrs. Emma Best Bachelard of Plainfield has received a very interesting letter from Lieut. Clark O. Tayntor, written from Kyllburg, Germany, and the following are extracts from the same: "We left New York about a year ago on a little Italian cable boat. Sailed down New York harbor one evening a little before 6 o'clock, and everyone was below decks. No one saw us go. When we left the dock no cheers, no goodbye, or anything like that. But going down toward the statue of liberty a couple of ferries passed us and the people cheered. That was our send-off. The sky was very dark, the wind blowing and plenty of thunder and lightning, but the next day was clear and when we woke up 12 other boats were with us and the entire 13 came across without mishap, except that it was pretty rough before we struck France, too rough for me."

"We landed in Brest, went from there to Calais and then along the coast. Have been fortunate enough to see Paris, Nice, Lyon, Marseilles, Monte Carlo and other small places. Took a sick leave from the hospital as soon as I was able to train again."

"I have enjoyed everything over here very, very much indeed. At present I am a circulation officer for the division. All Germans who wish to leave the area occupied by the division to travel in other occupied areas—English, French, Belgian, etc.—must get their passes from me. Have a nice office and three men to do the work and, believe me, we are busy."

"The country is very hilly and exceptionally pretty, a great deal like Vermont in the more rugged parts, although the hills are not as high as Mansfield and Camel's Hump. It has been announced in the papers that this division will sail in June, and if they take me with it I shall try and get a leave of a couple of months. However, I am afraid they will keep the regulars near here till the last and that will catch me. I enjoy the army life and am very loth to give it up."

"GETS-IT" PEELS MY CORNS OFF!

Any Corn or Callous Comes Off Peacefully, Painlessly—Never Fails.

It's almost a picnic to get rid of a corn or callous the "Gets-It" way. You spend two or three seconds putting on two or three drops of "Gets-It," about as simple as putting on your hat.

Use "Gets-It" peel off corn this way.

"Gets-It" does away forever with "corn-tappers," "corn-plasters," "corn-removers" that rub off, bleed, blister, and cause pain. Your "jumpy" corn shrinks, dies, loosens from the foot. You peel the corn painlessly from your foot in one complete piece. That's where the "Gets-It" comes in. You peel it off as you would a banana peel. Nothing else but "Gets-It" can do it. Get the famous, common-sense "Gets-It."

Sold in Barre and recommended as the world's best corn remedy by Cummings & Lewis—Adv.
